

## English Department Educational Field Trip

On April 12, 2025, the English Department went on an enlightening educational field trip to the renowned Brihadeeswarar Temple in Thanjavur. Students and faculty members explored the temple's intricate sculptures and paintings of gods and goddesses, gaining insights into Dravidian architecture, archaeology, and mythology. The temple's tower, massive Nandi statue, and elaborate carvings showcased the region's rich cultural heritage and historical significance. This trip was a valuable learning opportunity, offering a unique blend of history, art, and architecture.
